ORDER

14 In this removed *pro se* prisoner action, the Court dismissed plaintiff's federal claims
15 with leave to amend. Plaintiff thereafter did not timely submit an amended complaint
16 asserting viable federal claims. Following upon the dismissal of all federal claims over which
17 the district court had original jurisdiction, the Court finds that the interests of judicial economy,
18 convenience, fairness and comity would be best served in this case by remanding plaintiff's
19 remaining state law claims. The Court accordingly exercises its discretion pursuant to 28
20 U.S.C. § 1367(c)(3) to decline to exercise supplemental jurisdiction over the state law claims
21 and remands the matter.

22 IT THEREFORE IS ORDERED that this action shall be REMANDED to the Eighth
23 Judicial District Court, State of Nevada, Clark County, thereby closing the federal action.

24 DATED this 10th day of May, 2011.
